Circular No. (9)

For allowing the use of pleasure boats and yachts in the Emirate of Dubai

To all owners and operators of marinas in Dubai

Greetings,

Subject: Allowing the use of the pleasure boats and yachts in the Emirate of Dubai

Dubai Maritime City Authority presents you its best regards and wishes you success.

Referring to what was included in the previous circulars issued by the Authority regarding the suspension of all maritime activity companies, and marine pleasure vessels, the Dubai Maritime City Authority has permitted to use the private pleasure boats and yachts only according to the following safe use requirements, in line with the precautionary measures of the Dubai government related to the Corona Virus.

1. Operation hours will be from 06:00 am to 09:00 pm, starting from Saturday 25/04/2020.
2. Number of passengers not exceeding (5) excluding crew.
3. Sanitize the vessel completely before using and prior to each trip.

Other vessels may be permitted to sail for maintenance and trial purpose provided complying with the above requirements and prior approval from the Authority.

The Authority will evaluate the situation continuously in coordination with the health authorities. We appreciate your cooperation and value your efforts as major partners aimed at serving the public interest and protecting the safety and health of the society.

For more information in this regard, please contact the Call Centre on the channels below:
